Campers make their own sleeping arrangements – most bring tents with sleeping bags or stay in their trailers. Other options are rented RV on site, or staying off site with parent and commuting to camp. If you would like to share arrangements (you have a tent/trailer or need a spot in a tent/trailer) please email us and we will try to help.

All meals will be provided (Thursday dinner through Saturday lunch). There are on site bathroom/shower facilities.

Parents are welcome to visit and/or stay on site. Please contact Christine for meal options and cost for you.

Riders wishing to bring two horses, also please contact Christine for information & options.
